**FRONTLINE**

**Decade of Division**

**MON–TUE | Jan 13–14 | 9p**

Heading into the 2020 election, the United States has been described as more divided than at any time since the Civil War. In a two-part, four-hour special series, FRONTLINE examines the growth of a toxic political environment that has deepened the gulf between Americans over the past decade.

**Inspector Morse**

**SERIES ENCORE BEGINS**

**SAT Jan 18 | 9:30p**

The original series returns! Based on the novels by Colin Dexter, Inspector Morse is the classic that started it all, from the spinoff Lewis to the recent prequel Endeavour.

John Thaw stars as the Oxford detective whose intelligent, methodical approach to solving crimes is matched only by his penchant for opera and beer. Kevin Whately debuts in his role as the down-to-earth Sergeant Lewis. Their superb acting and Dexter’s compelling plots combine to create a show that deserves its position on the short list of TV’s greatest detective series.

### Finding Your Roots: Beyond the Pale TUE Jan 21 | 8p

Henry Louis Gates, Jr., explores the Jewish heritages of actor Jeff Goldblum, radio host Terry Gross and comedian Marc Maron. Gates and his team uncover previously unknown stories that show how each guest shares much more with their ancestors than a religious tradition.

This fascinating series explores what drives America’s local food producers, what inspires them and how they have perfected their craft. Emmy Award-winning journalist Cat Neville meets the makers, farmers and chefs who are redefining American cuisine.

From osetra caviar made in the hills of North Carolina to kelp cultivated in coastal Maine to agricole rum made in Hawaii using ancient varieties of sugarcane, Season 2 is an eye-opening journey into the heart of the American food movement.
