Daring Women Doctors: Physicians in the 19th Century

WED Mar 10 | 2p

In a story not often told in history books, medical schools for women began to appear in 19th century America – long before women had the right to vote or own property.

This documentary highlights the intrepid, pioneering and diverse women who faced hostility and resistance in the pursuit of a medical education. The film examines the impact of these women on their communities and demonstrates how women doctors exerted a long-lasting influence on the movement toward women’s rights.

**Seaside Hotel**

**SERIES PREMIERE**

**SUN Mar 21 | 11p**

A hotel on the coast of Jutland is the setting for this Danish series, a period drama reminiscent of Upstairs, Downstairs and Downton Abbey. Season 1 begins in optimism’s heyday, the carefree summer of 1928. Along with its upbeat jazz soundtrack and exuberant atmosphere, there’s plenty of intrigue amongst the hotel’s guests, the staff and the locals. Meanwhile, the century’s largest crises loom on the horizon, ready to turn our protagonists’ lives upside down.
